

## CURRICULUM VITAE August Benz

**August Benz (1969), PhD HSG,  
Head of International & Transformation,  
Deputy CEO of the Swiss Bankers Association (SBA)**

August Benz has been Head of International & Transformation at the Swiss Bankers Association (SBA) since July 2017 and Deputy CEO since December 2017. Together with his team, he focuses on topics such as private banking, asset management, market access, digital finance and cyber security, and sustainable finance. He is Chairman of the Board of Directors of Schwyzer Kantonalbank, President of the Swiss Financial Sector Cyber Security Centre (Swiss FS-CSC), a member of the Executive Board of the Asset Management Association Switzerland and a member of the Foundation Board of Building Bridges, the Swiss conference for sustainable finance.

August Benz started his career in 1999 at UBS, where he headed the Global Strategy department of UBS Asset Management. He was later responsible for the management and restructuring of Europe's largest investment fund platform and in charge of B2B sales in Switzerland. He also built up UBS Asset Management's Global Sales Management unit and, as Head of Client Servicing, oversaw the introduction and implementation of worldwide client relationship management standards.

August Benz has a PhD in political science from the University of St. Gallen and a Master of Science degree from the University of Edinburgh.
